COMPARATIVE POLITICS

# Beyond Turnout

## COMPARATIVE POLITICS

Comparative Politics is a series for researchers, teachers, and students of political science that deals with contemporary government and politics. Global in scope, books in the series are characterized by a stress on comparative analysis and strong methodological rigour. The series is published in association with the European Consortium for Political Research. For more information visit [www.ecprnet.eu](http://www.ecprnet.eu)

The series is edited by Susan Scarrow, John and Rebecca Moores Professor of Political Science, University of Houston, and Jonathan Slapin, Professor of Political Institutions and European Politics, University of Zurich.
